Message from the **Vice Chancellor**

With the vision of 'Challenging the Challenges' and certain missions, the Centre for Management Studies was established in the year 2002, which is under the Faculty of Commerce and Management Science of Dibrugarh University. The Centre (CMS DU) has been relentlessly pursuing its efforts to achieve academic excellence and knowledge creation through teaching, research and consulting for becoming a role model for the newly emerging centres of quality management education in the country, besides developing committed professionals having the vision, courage and dedication to initiate and manage change. Academic excellence under the guidance of experienced faculty members, along with the extra co-curricular activities completes the process of education at the Centre.

The philosophy of education in CMS DU has always been meeting the needs of every student. Young minds at the Centre acquire skills and knowledge efficiently as they are provided with a stimulating and purposeful surrounding, where self-esteem is always prioritized which results in self-motivation in an environment where work and efforts are valued. Our students are equipped with cutting-edge training which makes them industry-ready by inviting professionals, conducting interactive sessions and organizing field visits. They are enthusiastically doing decent work, understanding their responsibilities, keeping themselves engaged and successfully converting the challenging situation of time into an opportunity to learn. We are very proud of the achievements of the alumni over the years across various fields who rightly earned confidence amongst a variety of recruiters. It is, in fact, a pleasure to note that almost all of the passed-out students of the Centre received placement opportunities in various organizations of repute. We are grateful to all of our recruiters who visit our campus laying their confidence in our students.

I am happy to know about bringing out this piece of valuable document, viz., the Placement Brochure for the session 2022-2023. Hereby, I take the opportunity to cordially invite your esteemed organization to be a part of the campus placement process of the CMS DU for the current academic session.

With best wishes,

Message from the **Chairperson's Desk**

Dear all,

It is indeed a matter of great pleasure and pride that the Training & Placement Cell of the Centre for Management Studies, Dibrugarh University is publishing its annual Placement Brochure, 2022-23, which will include the detailed profile of the graduating batch of MBA (FT), MTTM and BBA (2023 passing out) Students along with the relevant details about the Centre.

Placement Brochures have now become an essential source of information for the prospective employees to know the availability of the best resources as per their specific requirements. Therefore it becomes imperative for the Placement Brochures to contain all the specific information about the passing out batch in great detail so that it enables the prospective recruiters to identify and sort their preferences with convenience.

As we are the easternmost University of India, we do sometimes feel a bit isolated and I sincerely hope this Brochure will go a long way in bridging this gap. The Centre for Management Studies, Dibrugarh University has always inspired its students to see and look across all functional areas and varied work cultures and at the same time instilling in them the ability to grow as the key assets of the organisation which they are serving.

I take this opportunity to cordially invite all the prospective recruiters, across all sectors, to come and participate in the Placement Programmes and thereby provide our young and competently enabled future managers an opportunity to explore the corporate world and apply their knowledge, competencies and skills for the growth of organizations they are serving.

With best wishes and warm regards.

Message from the **Central Training & Placement Officer**

I am immensely happy to introduce the placement brochure of the Centre for Management Studies (CMS), Dibrugarh University with the prospective employers of the country. At the outset I would like to express sincere thanks to all the prominent recruiters for their excellent support for providing placement opportunities to the previous batches in leading global business conglomerate. With the leapfrogging of the Indian economy post the Covid pandemic, the business houses shall require the services of young and dynamic management graduates to enhance the efficiency of their business interest. The Centre for Management studies (CMS) at Dibrugarh University always strives hard to equip the students with the required skill, right aptitude and good communication skills, problem solving ability, augmented with decent understanding of domain knowledge for creating a pool of managerial talent in the north-east region of the country. The T&P Cell, DU also leave no effort through its constant endeavour for providing excellent training and placement support to the budding management aspirants during their course of studies at the University. I sincerely wish all of them a great success in their life and career ahead.

Let me also take the opportunity to extend my warm welcome to the prospective corporate recruiters of our country to participate in the forthcoming campus recruitment drive at the Centre for Management Studies, Dibrugarh University. Thank you.

Message from the **Centre's Faculty Placement In-charge**

It is an honour for me to place before you the 2023 edition of the Placement Brochure of Centre for Management Studies, Dibrugarh University (CMSDU). It has in it the details of the 2023 graduating batches of MBA (FT), MTTM and BBA of the Centre. The Brochure gives an overview of the Centre, the facilities available and the academic programmes being offered along with the brief details of the graduating students. The Centre has done its best to train the students to be hardworking, sincere, professional and ethical. As the Faculty Placement In-charge of the Training and Placement (T & P) Cell of CMSDU, I heartily welcome the recruiters to the Centre and recruit our students. I believe that the recruiters will be able to find competent individuals from our Campus through the placement process who will serve the organizations recruiting them to the best of their abilities. The T & P Cell will provide all the necessary assistance to the recruiters in the campus placement process.

Dibrugarh at a Glance

Dibrugarh Town

is a city and is the headquarters of the Dibrugarh district in the state of Assam in India. Well known as the Tea City of India

Mahatma Gandhi Park situated at Khanikar, 10 kilometres South of Dibrugarh city centre, this newly developed park is on a 22 bigha plot of land and features a blend of modernity and tradition and is a major attraction for tourists of all ages for a recreation.

Bogibeel bridge is a combined road and rail bridge in the Dibrugarh district of the north eastern Indian state of Assam. The Bogibeel bridge, situated 17 kilometres (11 mi) downstream of Dibrugarh, spans the Brahmaputra river and will connect the town of Dibrugarh in the south to Dhemaji to the river's north

Dibrugarh University Park was inaugurated in April 10, 2012 by Dr. Himanta Biswa Sharma, then Education Minister of Assam. It covers 38 bighas (approximately) of verdant landscape with simulated Structures of the Rangghar, sculptures of a life-size elephant, a rhino, combative bulls, including an artificial waterfall at top of a hill.

A replica of the **Lord Jagannath Temple**, Puri, Odisha, has come up in Dibrugarh near the Mahatma Gandhi Park at Khanikar. The height of this temple is 85 feet. This temple is expected to be a major centre for religious tourism in eastern Assam. As per the architectural structure, this temple is the 2nd after the original Jagannath Temple, Puri in India.

Radha Krishna temple, situated in a sprawling campus near the Assam Medical College, features two life size idols of Lord Krishna and Goddess Radha. The temple is considered to be an architectural marvel and is entirely made of marble stone.

Dibrugarh University, the easternmost University in India, was established in 1965 consequent upon the provisions of the Dibrugarh University Act, 1965, enacted by the Assam Legislative Assembly. It is situated at Rajabheta, five kilometres to the South of the Dibrugarh town and well connected by road, rails, air and waterways.

The **Tea City of India**, Dibrugarh in the Upper Assam area, boasts of the highest amount of tea production in India. Dibrugarh town is surrounded by tea gardens all around the city that dates back to the time of the Britishers in India. Dibrugarh welcomes tourists to make a tea tour of this wonderful place.

The **Brahmaputra** is the third largest river in the World and biggest river in India. It carries the largest amount of water and silt among all river of India.
