NIDM/IUIN/EXPERTMAPPING/2023-24

March 22, 2024

Dear Prof. Jiten Hazarika,

As you are aware that the National Institute of Disaster Management (NIDM) was constituted under an Act of Parliament with a vision to play the role of a premier institute for capacity enhancement in India and the region. The Institute under the Disaster Management Act 2005, has assigned nodal responsibilities for human resource development, capacity building, training, research, documentation and policy advocacy in the field of disaster management.

2. In order to achieve its mandate, NIDM has launched a comprehensive mapping exercise through knowledge vertical portal which aims to identify and create pool of experts in the field of disaster risk reduction.
3. NIDM's web portal on knowledge verticals will serve as a platform for experts from diverse backgrounds and disciplines to exchange knowledge, collaborate on research, and engage in capacity-enhancement activities. Through this initiative, we aim to bridge the gap between academicians and practitioners.
4. I request you to kindly support this initiative by disseminating and also encouraging your faculty/researchers/stakeholders to join the NIDM's knowledge network. The QR code may be visited for the further action or on website <https://iuin-drr.nidm.gov.in/Vertical/Index>.
5. I am grateful for your esteemed support towards building a resilient and safer nation.

Warm regards,

Yours sincerely,

(Rajendra Ratnoo)

Prof. Jiten Hazarika  
Vice Chancellor,
