

## **Centre for Studies in Geography Commemorated Gandhi Jayanti by Creating Awareness Video on Gandhiji's Philosophy and Beliefs**

On 2nd October 2024, the students of the Centre for Studies in Geography, Dibrugarh University, commemorated Gandhi Jayanti by creating an awareness video that elucidates the philosophies and beliefs of Mahatma Gandhi. This initiative aimed to engage the community in discussions surrounding Gandhiji's enduring values and their relevance in contemporary society. The initiative underscores the importance of understanding historical figures whose ideologies continue to shape social, political, and ethical landscapes. The initiative not only educated the viewers but also encouraged a collective reflection on their roles as responsible citizens. The students expressed satisfaction in having contributed to a dialogue about peace and ethical living, which are increasingly vital in today's tumultuous world. The awareness video created by the students, the ecorestoration squad members of the Centre for Studies in Geography serves as a pertinent reminder of the relevance of Mahatma Gandhi's philosophies in contemporary society. By engaging with these principles, the project has the potential to inspire a new generation of individuals committed to non-violence, truth, and sustainable practices. In an era marked by conflict and environmental crises, revisiting Gandhiji's teachings can provide a much-needed framework for fostering peace and resilience within communities. The initiative exemplifies the power of education and awareness in cultivating a more just and harmonious world.
